

Kidtech proudly presents 5 new computer programs just for kids:

- \*Make it go
- \*My action Book
- \*Five Little Ducks
- \*Five Speckled Frogs
- \*Old MacDonald's Farm

Designed with lots of animation, song, and live voice to motivate and provide independent learning for young and special needs children.

For use in preschools, special education classrooms, therapy settings and home.

\*Make it go--play hide and seek with a bear, find the puppy, if you dare...blow some bubbles in the air! Seven original cause and effect programs to delight any child.

--**Make it Go**. ....\$20.00

\*My action Book--Learn familiar action vocabulary through song! Sing along as the computer kids kick a ball, brush their teeth, read a book, and many more!

--**My Action Book**....\$30.00 and

--**Skill Building Disk**....\$15.00

\*Old MacDonald's Farm--A unique opportunity to learn animal names using this all-time favorite song. Hear the real animal sounds, too! Your kids will love it!

--**Old MacDonald's Farm**...\$30.00 and

--**Skill Building Disk**....\$15.00

\*Five Speckled Frogs--These two classic children's songs come to life through song and animation! The verses use rhyme, rhythm and repetition to build vocabulary and beginning number concepts. Great for group interaction, song and story time.

--**Five Little ducks**.....\$30.00

--**Five Speckled Frogs**...\$30.00

--**Ducks and Frogs**

**Skill Building Disk**.....\$15.00

\*\*\*\*\*SAMPLER\*\*\*\*\*

Want to try before you Buy? Order this Sampler and see examples of each of the programs. Once your kids see them, you'll want them all.

--**Sampler**.....\$5.00

Not all programs run using Hypercard 2.0 and provide mouse, touch window or single switch access.

System requirements: Macintosh SE/30, Classic II, LC, and II series with a minimum of 2 megabytes of RAM. (System 7.0 needs 3 megabytes RAM)

Send Check, Money Order, or Purchase Order, model of Macintosh with \$3.50 shipping and applicable sales tax to
