## 1.1   New entries of Libraries

```
 New entries since last release:

* 6581SID.library                    0                      1.1
----------------------------------------------------------------------------
* adpro.library                      0                      3.23
----------------------------------------------------------------------------
* akcc_gen0.library               8504                      37.5
----------------------------------------------------------------------------
* AsimPhoto.library                  0                      1.1
----------------------------------------------------------------------------
* atari.library                      0                      1.1
----------------------------------------------------------------------------
* axtools.library                 7232                      3.21
----------------------------------------------------------------------------
* blitzblank.library              5120                      9.0
----------------------------------------------------------------------------
* boxer.library                      0
----------------------------------------------------------------------------
* calculus.library                4744                      37.3   (15.09.95)
----------------------------------------------------------------------------
* CIA.library                        0                      39.1
----------------------------------------------------------------------------
* clist.library                      0                      ?.?
----------------------------------------------------------------------------
* cnet.library                       0                      1.0
----------------------------------------------------------------------------
* console.library                    0                      ?.?
----------------------------------------------------------------------------
* crypt.library                   2144                      1.1
----------------------------------------------------------------------------
* CWrite.Library                  4992                      1.31  (22.07.92)
----------------------------------------------------------------------------
* dctv_R3D.library                   0                      40.0
----------------------------------------------------------------------------
* debox.library                   3500                      1.7   (01.10.90)
----------------------------------------------------------------------------
* DICECache.library                  0                      3.58
----------------------------------------------------------------------------
