### BOOKS ON EXPLORATION AND ADVENTURE

As of this date the following list of books relating to exploration and adventure are available from out-of-print and antiquarian book dealers from across the country. While we do not keep these books in stock, we can arrange to have them delivered to you if they have not been sold by the time you contact us. In the event that the book is no longer available, we will attempt to locate another copy for you if you desire. The descriptions are brief and sometimes the titles are truncated due to the nature of this catalog. Should you desire further information on a book, we will be glad to notify you as to the condition of the book, the relevant publishing information, and the terms of purchase. When requesting further information, please include the catalog number.

This list should be considered out-of-date by MARCH 23, 1992; however, we have a search service available for these or any of your other rare book needs. SEND NO MONEY until we notify you as to the availability of the book.
