SHAREWARE

ENIGMA is a professional product that represents the hard work of a number of people.   By distributing ENIGMA as a shareware product, FreeVerse Corp. is able to sell it for substantially less than software, which is sold through common distribution channels.   What we save, we pass on to you.
Your support of this method of distribution will result in better software for less.

<div align="center">PLEASE SUPPORT SHAREWARE
DON'T MAKE ILLEGAL COPIES</div>

LEGAL STUFF

FreeVerse Corporation reserves the right to make modifications or improvements to ENIGMA at any time and without notice.

THE SHORT FORM:

Use at your own risk.
