Description: This level was made for  a 2 person Dukematch. There are many secrets and a few traps that can get you
killed if you're not careful. There is a warning before every trap. There are 8 starting postions. This map includes 3
buildings, about 5 see-thru's and one very cheap see-thru where you can shoot out, but the other person can't shoot in.

I hope you enjoy the level!!!!!!!!!!!!!!!!!
