Deneba Software  
Electronic documentation

For your convenience, the Canvas 6 User's Guide, Getting Started guide, and Color Printing Guide have been provided in Adobe Acrobat PDF file format in the Manuals folder. You can view these PDF files on any computer platform with Adobe Acrobat Reader or Exchange software. You can install a free version of Acrobat Reader from the Canvas 6 evaluation CD-ROM, or by downloading the Reader program from the Internet.

As you view the PDF files, you can click the bookmarks on the left of the window to jump to particular chapters or topics. To view sub-topics, click a triangle icon to expand the bookmarks list.
