For  
Elizabeth Marie Johnson

On Your Christening Day

Dear Elizabeth,  
you'll never fully realize  
what a miracle you are  
to your family.  
We come before God today  
with thanks in our hearts  
to witness  
your christening--

And we pray  
that you will find  
many reasons  
in your lifetime  
to realize His goodness.

God Bless You!
