

Fold both side flaps, along the dashed lines,

Fold bottom flap, along the dashed lines, up to  
create pocket. You can glue this flap to the two  
side flaps if you want, but it's not necessary.

toward the  
center.

Slip your mini card inside the  
pocket and glue down the top flap.

Cut all solid lines of your mini card.

Score dashed lines with a blunt knife  
and fold.
