TommySoftware® CAD/DRAW Shareware Version 2.10

Following a listing of files that should be contained on the disks of any TommySoftware® CAD/DRAW package (or in the archive created from those disks). If your package does miss any of these files, please contact your local TommySoftware® partner in order to receive a complete package.

Contents of all Disks / Archives:

FILE_ID.DIZ
INSTALL.EXE
INSTALL.EXX
INSTALL.TXT
OMBUDSMN.ASP
PACKING.WRI
SHAREWAR.WRI
VENDOR.WRI
TSCD2A.PFD
TSCD2B.PFD

When downloading TommySoftware® CAD/DRAW from a bulletin board, you should receive a file named TS210E.ZIP which contains the files listed above.
