

## Boarder Zone

### @Description

Everything you've always wanted to do on a snowboard (but were afraid to do for fear of twisting your leg into a pretzel).

### @You want it because ...

for years you have secretly dreamed of the exciting and glamorous life of a professional snowboarder.

### @System Requirements

P166, 32Mb RAM, D3D or Glide compatible 3D card.

## Counterstrike beta5

### @Description

Rogue Spear meets Half-Life in this tactical squad-based Half-life mod. Join the Terrorists or the Anti-Terrorists and duke it out over hostages or a ticking timebomb.

### @You Want It Because ...

You've been asking for it for months! Well, here it is!

### @System Requirements

You will need Half-Life to play this, since it is a mod.

## Crusaders of Might & Magic

### @Description

All of the fun of Might and Magic without all that RPG crap.

### @You Want It Because ...

### @System Requirements

P233, 32MB RAM, D3D compatible card.

## Gabriel Knight 3

### @Description

The ultimate in chick games comes back for more when Gabe goes in search of vampires.

### @You Want It Because ...

It's all interactive 3D, You get to fight vampires, and chicks dig it.

### @System Requirements

P133, 32MB RAM, 3D accelerator not required.

## Interstate 82

### @Description

The sequel to Interstate '76 is here, and it's never looked this good. Groovy.

### @You Want It Because ...

driving gas-guzzlers that have .50 caliber machineguns bolted on the hood is every mans dream.

### @System Requirements

P233, 32MB RAM, D3D compatible card.

## Quake3 Capture The Flag Maps

### @Description

The original four simply weren't enough, so here's three new CTF maps to add *spice*.

### @You Want It Because ...

the new maps totally kick ass and if you are any sort of self-respecting CTF player, you'll need these to play on most servers.

### @System Requirements

Quake 3 Arena must be installed.

## SWAT 3

### @Description

Use official LAPD SWAT tactics to bring 'em back alive from a tense hostage situation.

### @You Want It Because ...

you get to yell, "GET DOWN ON THE GROUND!!!" really loud when you hit the 7 key.

### @System Requirements

P233, 32MB RAM, 3D Accelerator not required (but it looks much better with a D3D compatible card).

## Thief 2

### @Description

Garrett's back, this time on a rooftop jaunt to pilfer from a posh party.

### @You Want It Because ...

don't we all work hard, under the cover of night, to try and get the goods?

### @System Requirements

P233, 32MB RAM, D3D compatible card.

Tomb Raider 4 "The Times" demo.

### @Description

Lara Croft gets Egyptian sands in her boots while she saves the world from impending doom at the millennium.

### @You Want It Because ...

you get to play "teen" Lara and she wears a thong.

### @System Requirements

P266, 32MB RAM, D3D compatible card.
