You play the role of an archaeologist who becomes trapped in
an ancient tomb in this ultimate 3-D puzzle adventure game!
Breathtaking raytraced 640x480 SVGA graphics in the Windows
environment take this a step beyond games like 7th Guest and

Myst.   Alone you must navigate your way through deadly traps,
intricate puzzles, and involved mazes as you try to escape
from your harsh captor before it claims another victim.   What
did become of the race that created this vast underground
metropolis, and what is its purpose?   Communication with
another realm?   Time travel?   Explore 5 detailed levels with
over 40 megabytes of graphics.   Excellent digital sound on
all Windows compatible sound cards.
The CD-ROM version of the game includes an incredible 16-bit
CD quality soundtrack, studio recorded narration, and an
enhanced ending sequence for over 200 megabytes more than the
disk version.

FILECLIP $17.95

FileClip is a simple utility that can be used to augment or
replace the Windows File Manager.   Whether you are a novice
or a power user, you'll find that FileClip provides a conven-
ient way to locate and handle files.   In addition, FileClip
greatly enhances the functionality of the Windows Clipboard
with the enhanced Clipboard utility in Windows for Workgroups.
With FileClip, you can create a clipboard stack.   The stack
stores a history of the clipboard, which means you can have a
multiple undo capability. In addition, FileClip enhances your
ability to paste between applications.   FileClip has been
completely revamped for version 4.0, it now is easier to use
and far more powerful than any other file manager on the market!

REQUIREMENTS :   Windows 3.1   286+ CPU

SQUAREZ DELUXE $19.95

Devastator bombs, missiles, and hazardous chemicals dominate
the playing field as you try to maneuver ahead of your
opponent!   Get a new look at Tetris-style games from the
author of Jetpack.   With the enthralling combination of
action and strategy you can blow your opponent away, or race
the clock for hours of stimulating action!   Maneuver your
pieces filled with bizarre items to form 'squarez' and keep
your area clear.   Join the ranks of Squarez addicts!   Fast
puzzle action with excellent 256 color VGA graphics.

REQUIREMENTS : VGA   PC compatible
ALSO SUPPORTS: Sound Blaster/Adlib   Joysticks   Mouse

HEXXAGON $19.95

The dictionary defines agon as a classic struggle.   Classic,
indeed -- the days of sterile strategy games are over! Immerse
yourself in one of the most enjoyable and richly crafted games
to date.   The fully animated 256 color graphics and completely
digital sound (for SoundBlaster compatibles) will seduce even
those who don't consider themselves "strategy game" players.
With an almost infinite number of board configurations possible
(5 favorites can be saved), the friendliest menus, and CRANIAC
-- the unfriendliest of computer opponents -- HEXXAGON will
provide hours of fun and intellectual excitement!

REQUIREMENTS : VGA   286+ CPU
ALSO SUPPORTS: Sound Blaster/Adlib   Mouse

NIGHT RAID $14.95

Violate the Geneva Convention-blast your enemy's paratroopers
out of the sky in this fast action arcade game!   Defend your
lonely desert bunker against wave after wave of invaders and
their delivery aircraft.   Get Night Raid, and discover adren-
aline pumping fun!   Supports MULTI-CHANNEL digital sound on a
SoundBlaster (or 100% compatible) or the Disney Sound Source,
and music playback on AdLib/SoundBlaster.
