## General

### **CityLine Directory - Free 24 hours a day**

(This service provides free information. Some information may pertain only to the San Francisco Bay Area.)

Your Own Personal Information Service.

CityLine is the voice information service of the San Francisco Chronicle and Examiner.

Call (415) 512-5000 and hear the latest information available: local, national and world news, regional to international weather forecasts, sports scores, financial updates, lottery results, soap opera updates and much more. All available when YOU want it, 24 hours a day. For more information on advertising with CityLine call (415) 777-7021.

How to use CityLine:

1. Select the information you would like to hear, and make note of the category numbers.
2. Call CityLine at (415) 512-5000 from your touch-tone phone. The system will not respond to rotary or pulse signals. If you have rotary service: locate the tone/ pulse switch on your push-button phone. Call CityLine. When the system answers, set the switch to "tone" and enter your category number.
3. When prompted, enter the 4-digit category number.
4. After you have listened to your first category, you may stay on the line and enter additional 4-digit codes.

# Introduction

Welcome to Prof. Zany's Guide to Giveaways and Freebies!. It is a compilation of free (and almost free) stuff that you can obtain by simply following the given instructions included in this disc.

Prof. Zany's Guide to Giveaways and Freebies! contains thousands and thousands of giveaway items (total worth over millions of dollars) that we have compiled for you. From academic scholarships to research grants to small business loans; from free TV show tickets to professional sports fan souvenir items; from invaluable financial assistance to token product samples. There's something in it for just about everyone. And the best part of it all is that we have done the hard work for you! For most items, all you have to do is write to the address provided. In some cases, you can even call the toll-free number that's included.

To help you make the most out of Prof. Zany's Guide to Giveaways and Freebies!, we have categorized the freebies into various topics that, in turn, are divided into separate volumes. These volumes are shown as books in the main screen that you see on starting Prof. Zany's Guide to Giveaways and Freebies!. There are seven volumes: Introduction, Advice, Entertainment, Free Catalogs, Free Publications, Finance and Travel Information.

To open a volume, simply move your mouse over it until the cursor changes into a pointing hand. Click your mouse to go into the volume. To avail of the free and almost free items, select the Index function to quickly go into a topic in any volume. To find a specific text in any volume, use the Search function. To return to the main screen, click on the Contents button near the upper left corner of the screen. On-line assistance is available at any given time by selecting Contents in the Help Menu.

Prof. Zany's Guide to Giveaways and Freebies! is more than just a compilation of free stuff. It actually offers countless items that may ultimately prove invaluable or at the very least, make life easier. For high school seniors and college students, click on Finance for a listing of scholarships and grants. For moms and dads, click on Advice for some parenting pointers. For literary buffs, click on Free Publications or Free Catalogs, to find out how to receive magazines for free. For the family planning a trip, click on Travel Information for vacation tips. For those who may be in a financial crunch, click on Finance for the many loans you may qualify for. For those who are always on the look out for freebies, like most of us on the production staff, just click away!

Now, for a word of advice: At the time of production, the information we have compiled were accurate to the best of our knowledge. However, things change. As such, some of the information included herein may be out of date.

Lastly, some of the clip-arts used herein came from Corel's Coreldraw clip-art collection. We are using them on a royalty-free basis except that we have notify you about their origin. That's why we are telling you about it.

Well, enjoy Prof. Zany's Guide to Giveaways and Freebies! Remember, whoever said nothing in life is free simply has not yet discovered Prof. Zany's Guide to Giveaways and Freebies!
