## **SETTINGS**

***Prudent Places USA (3<sup>rd</sup> Edition)*** was formatted in Arial for ease of reading at 13-point font. If you want to view this book in the best setting, please go into the browser preferences and set your font size to 13 pt.

### **Explorer:**

Under Web Content, you'll want to enable: "Show Pictures, Show Frames, Show Style Sheets, Page Specify Fonts, Page Specify Colors and Enable Scripting".

### **AOL:**

PC Versions: Under the "Settings" menu, click "Internet Web Options." Then click "Categories." Next, click "Appearance". Finally, click "Font and Text." Choose "Arial" and set the size to "12" or "13" (if the latter is available). Under the "Text Settings" in this window, choose either "small" or "medium" for the option to "Where possible, display the following size of text on AOL."

### **Netscape:**

Under Appearance: Fonts, for optimal viewing, please set the parameters to:

Fonts: 13 and Resolution: 96 dpi. Check: "Allow Document to Use Other Fonts".

Under Advanced: Scripts & Plug-ins, check: "Enable JavaScript of Navigator, Move or Resize Existing Windows and Raise or Lower Windows".

## **GETTING STARTED**

Insert the CD and then open the **index.htm** file in your web browser. Windows users may need to click on their "My Computer" directory and then open the "***Prudent Places USA (3<sup>rd</sup> Edition)***" CD from that directory.

NOTE: Most of these maps are HUGE and they load up in three passes so be patient and do not click in a map until it is finished loading.
