America's Cup 1
ScreenThemes 1   CD-ROM

PLEASE TAKE A MOMENT AND READ THIS ENTIRE PAGE!

Welcome!
Congratulations on winning this gorgeous collection of America's Cup 1 photos, courtesy of ScreenThemes 1, the leader in photographic wallpaper and screen savers. You're going to be amazed at how great your Windows desktop can look with your new America's Cup 1 photos!

How do I install ScreenThemes 1 ?
Insert the CD-ROM into your CD drive (blue/green side down). The CD will need a few seconds to get up to speed, and then the installer should appear. If it does not, then go to Start à   Run and type "X:\cd_setup" (where X is your CD drive letter).

How do I install my image pack?
After the program installation finishes, a new screen will come up to let you install your image pack. if you need to come back later and re-install, just re-insert the CD, go to Start à   Run, and type "X:\cd_packs" (where X is your CD drive letter).

Do I always need the ScreenThemes 1 CD in my CD drive?
No: once you install your pack, you can remove the CD and store it in a safe place for backup.

How does ScreenThemes 1 work?
Unless you change the settings, ScreenThemes 1 will automatically put a random new America's Cup 1 photograph on your desktop every day. ScreenThemes 1 doesn't get in your way, yet it also gives you the freedom to explore your photos with an attractive "slide-sorter" interface.

What about registration keys for my image pack?
ScreenThemes 1 should not prompt you for any registration keys. If it does, you should install the pack again: re-insert the CD, go to Start à Run, and type "X:\cd_packs" (where X is your CD drive letter). If that doesn't help, go to our support page on the web, listed below.
