ORDER INFORMATION

Order Date: _____ Purchase Order Number: _____

Part Number: _____ Description: _____

Price Per Unit: _____ Quantity: ____ Total Price: _____

Please stand by while I mess around with the insides of your computer.

Move cursor to location where changes need to be made.

--THEN--

Type over that cell or, use the EDIT key to make changes.
Type in the Number that you would like to use then hit <enter>.

-- OR --

If you want to scroll through the list, hit the <enter> key.
Move the up and down arrow keys to view different records.
Move the left and right arrow keys to view all of the highlighted record.

Press <enter> when done...
