

Logiciel MultiMedia Center

Welcome to the **Logiciel CD Player v1.0**. We're sure you'll find that this program is the best CD Player ever, and it's shareware. That means you can try it before you buy.

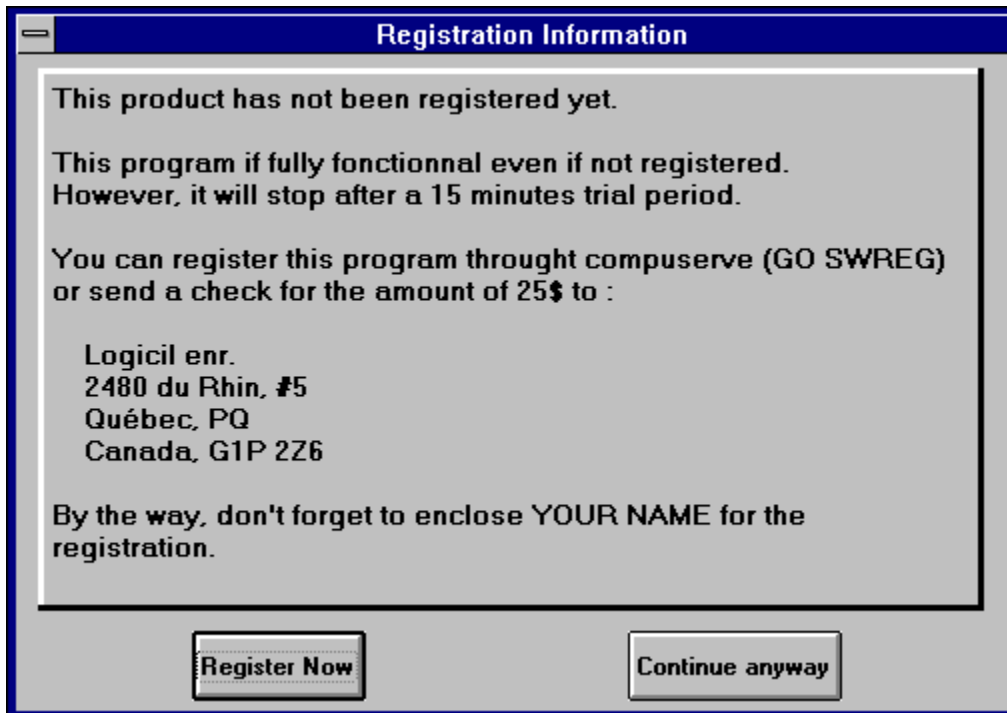

The program is fully fonctionnal even if not registered. However, you will see a warning screen at the beginning and the program will stop after a 15 minutes trial period.

You can register this program throught Compuserve (GO SWREG, product #1090) or send a check for the amount of 25 \$ to :

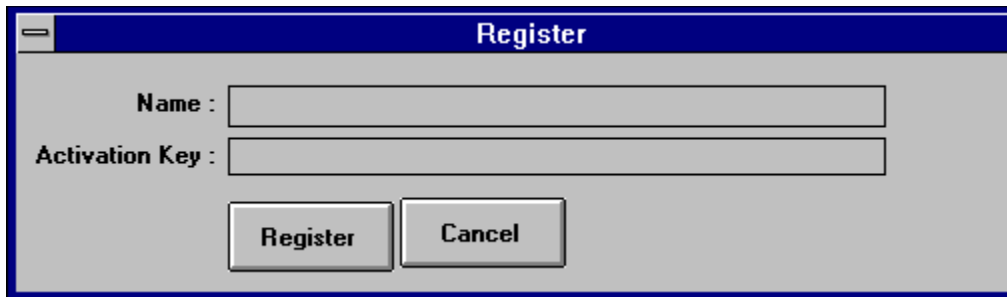

Logiciel enr.
2480 du Rhin #5
Québec, PQ
Canada, G1P 2Z6

Please include your name, address and Compuserve ID (If apply).

You will then receive a registration key by mail or by Compuserve. Write down your key and click on Register in the following screen or in the File Menu.

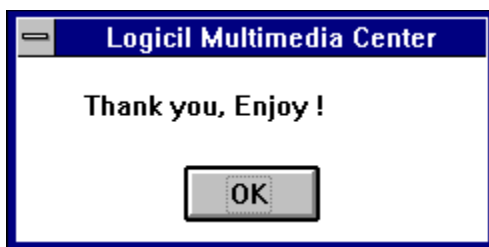

You will see the following screen. Enter your name **EXACTLY** as it appears on your registration confirmation. Then enter your activation key and press the Register button.

A dialog box titled "Register" with a blue header bar. It contains two text input fields: "Name :" and "Activation Key :". Below the fields are two buttons: "Register" and "Cancel".

The following screen will confirm that you are registered.

A dialog box titled "Logicil Multimedia Center" with a blue header bar. It displays the text "Thank you, Enjoy !" and an "OK" button.

P.S. You can use the Logicil CD Player without being registered. ***However it will stop after a 15 minutes trial period.***

If you should have any questions regarding registration, you can send an e-mail on Compuserve to :
