Part #411-1713-01 Rev. V

Getting Started

All Platforms and Operating Systems:

- Quit any Netscape Navigator™ or Internet Explorer sessions that you are running.
- Load the Sun Solutions CD into the CD-ROM drive.

Solaris 2.6 Operating Environment to Solaris 8 Operating Environment:

- The File Manager is displayed automatically. Double-click on the "startcd.sh" icon.

Windows 95/98/NT

- With Auto-Run enabled, follow the prompts on your screen.
- With Auto-Run disabled, run the following: D:\winsolcd
  Follow the prompt on your screen. If your CD-ROM is not "D", replace "D" with the appropriate drive letter.

start
