Attend the Microsoft Systems
Object Linking and Embedding Design Workshop
right in your own office!

Professional quality video tapes of the highly popular Object Linking and Embedding Workshop on December 10th are now available from Microsoft. Topics include:

Application Integration by Darryl Rubin

Object Linking and Embedding by Tony Williams

(Implementation Guide and Sample Code)

Lotus Notes and Observations

Building Applications for the 1990s by Bill Gates

The cost of the entire Object Linking and Embedding Video Tapes is $95. (Shipping, handling and tax is additional.) It includes a set of three video tapes which brings the *entire* workshop (6+ hours) to your office. You will also receive printed and electronic copies of each slide shown at the workshop, as well as a copy of the OLE 1.0 specification.

NOTE: To obtain access to the Object Linking and Embedding Beta Libraries you must be a member of the Windows Beta Program. An application to become a member the Windows Beta Program is included with the OLE Workshop Video Tapes.

To receive your copy of the Object Linking and Embedding Workshop Video Tapes, follow instructions on the following page.

Object Linking and Embedding Design Workshop
