Number of Players: 2
Number of Computers: 2
Environment: forest
Size: 128 x 128

Description: This map is meant to be played with 2 human players in a deathmatch style. Each player is separated by a line of forest down through the center of the map. Each player starts with 1 modest gold mine and there are 4 more on each side which may be accessed if a small contingent of computer units is overcome.
