

Camera

A 3D rendering of a planet (Earth) with a wireframe bounding box. The planet is centered in the view, and the background shows a horizon line with a blue sky and a dark ground plane. A yellow beam of light is visible on the ground.

Scrapbook

A world map showing green highlights on the continents of North America, South America, Africa, and Asia. The map is displayed in a perspective view.

Item: 2 of 6
Type: picture
Size: 21K
Dimensions: 360 by 178 pixels

Object: Small Planet
Uniform Scale: 1.740
Visible: Shadows:

X	1.723	Y	1.459	Z	1.355
X	0.000	Y	0.000	Z	0.000
X	1.000	Y	1.000	Z	1.000
