Word for Windows 95				
	Drag-and-Drop OLE	Right-Click Menus	AutoCorrect, AutoFormat	Overall
Satisfaction	Testers loved the ease of use.	An easy and welcome new habit.	Most testers figured it out and liked it.	Much the same, but easy to use.
Productivity	Saved lots of time over OLE 1.0.	Saved a few steps most of the time.	Got mixed results.	Nice new time-saving shortcuts.
Help System	Most users needed no help at all.	Who needs help? Just click and go.	Testers loved the new Help Answer Wizard.	Not often needed, but fun to use.
