

# BENCHMARK TESTS

## COMPAQ PRESARIO CDS 774

The latest addition of Compaq Computer Corp.'s home-oriented Presario line was slightly ahead of the pace set by the nine home PCs reviewed in our issue of May 16, 1995.

The Compaq Presario CDS 774 was equipped with a Pentium/75 CPU, 8MB of RAM, 256K of external cache, and a quad-speed CD-ROM.
