DIAL-A-LAN EXCELS AT LAN-TO-LAN TRANSFERS

|	PC-to-LAN	LAN-to-LAN
Hewlett-Packard Co. Dial-A-LAN	32.25	66.67
3Com Corp. Access Builder 2000	58.43	55.17

File-transfer rates (in K bps)

To test the Dial-A-LAN's LAN-to-LAN file-transfer performance, we used XCOPY to transfer a suite of six text and graphics files totaling 2.6M bytes between two Ethernet LANs. For the PC-to-LAN tests, we transferred the same file suite from the server to our local workstation hard drive.
