Register BackMenu and BigDesk now!

If you've found that one or both of these packages fit in with the way you work, please register and support a struggling research assistant!

For £20, you can register either BackMenu or BigDesk. In return you will receive a handsome registration certificate to show your friends and prove you are honest, plus a registration number to allow you to personalise your copy.

For £25, you can register BOTH packages, and receive an even nicer certificate and two registration numbers.

For £10, you can swap a single package registration for a double package registration (a little incentive to encourage double registration...)

Just print out the form below, fill in the details and fax it to SP Services on (0703) 550037 (that's +44 703 550037 if you're not in Britain). If you've no fax, either ring the same number and wait patiently for the answering machine, or post the form to:

SP Services PO Box 456 Southampton, United Kingdom SO9 7XG

You'll have to do this if you don't want to pay by credit card, too, but please note we can only accept payment in pounds sterling. We also accept orders by electronic mail to **sphipps@compulink.co.uk**; you will get an e-mail reply as soon as the order is received, followed by a registration certificate in the post. *Please supply all the same details*.

Bulk Copies/Site Licenses

If you want to register for a network, or for a mega-corporation, please calculate a fee using the following table (site registrations accepted only for the combined package). Please use the pro-forma invoice on page 3 if this is required by your accounts department.

For three or more registrations, the price is...

up to 10 30 50 75 100 200 machines at one address each £20 £17 £15 £12 £10 £9
Over 200 copies: £1500 one-time charge.

Creepy Disclaimer (the small print in big letters)

Don't forget that there are no warranties associated with this software

beyond saying that it will do what it says in the documentation. If you manage to mess up your installation and think it has something to do with BackMenu or BigDesk, we're sorry but it only cost £20, didn't it. Now for BIG money we'll give you a warranty. However, registered users may email sphipps@compulink.co.uk or fax +44-703-550037 and we will do our best to satisfy your requests.

US and other non UK Users!

Please do register! It's really easy; you simply send in your credit card details & address, we debit your credit card in pounds sterling, and the credit card company do all the hard stuff about currency conversion. As a special incentive, there are no extra shipping costs for non-UK orders!

Just for the record, BackMenu and BigDesk are both © Copyright 1991, lan Heath; this chatty registration form is entirely public domain.
