

HOW TO REGISTER

This a commercial quality product made available as KEYWARE. The KEYWARE system works this way: You can play a portion of the product to get a feel for the game. When you are ready to purchase the full game, you simply select the register option from the title screen. After you type in your information, you have four options for how to proceed.

ou are given the option to print out the registration form, or to save it as a text file. You may email the order form as a message or as an enclosure to us at orders@playmaker.com. You may print out the order form and mail it along with a check or money order to us at

PlayMaker, Inc.
19 Overshot Court
Phoenix, MD 21131-1851

or you may fax it to 410/667-8429. In addition to these methods, once you have filled out the registration form you may call 800/324-7774 and place your order over the phone using a Visa, MasterCard or American Express charge card.

By offering this game as KEYWARE, we are able to save production, packaging, and distribution costs. As you can see by our low price, we pass these savings on to you! The documentation for this game is provided electronically in the DocMaker™ format. Otherwise, the KEYWARE version is identical to any retail version that may become available. The only difference is the money you save!
