United Public Domain Library Disk 1

This Amiga Guide Document will allow you to explore the contents of each of the floppy disks contain on this compact disc. In addition you can also unpack each of the files onto a floppy disk. Plaease ensure that ou have a floppy disk ready for this before selecting the UN-DMS or UN-PACK option.

The files on this disk have been compacted with the DMS program.

Also included is the excellent Directory Utility SID2 . From this utility it is possible to search each individual directory and also unpack any of the files back to floppy. This program is shareware and the button banks have been configured by Weird Science to aid your use of this compilation.
