STORYLAND 2:This is as it says a superb story adventure for
the kids (and adults) you must save Storyland from the wicked
witch, progressing by gathering different objects, if you like
this game the author requests you donate something to the
Anti vivisection society for animals!
- PE010 Un-Pack this Disk
TOTAL CONCEPTS ASTRONOMY:This is a superb 'book' on a
disk by Chris Hill of Total Concepts, basically a beginners
guide to Astronomy, you merely flick the pages by clicking on
fast forward/rewind buttons at the bottom of the screen as well
as being able to view picture files of the relevant article!
An excellent idea which is soon to be expanded to Licenceware
product, the above PD version being a taster, the full product
will be on 2 disks and be much more in depth! Eventually a whole
series will be available on every conceivable subject such as,
Maths, English, History, Birds, Mammals, Reptiles, Butterflies,
Aircraft, Cars, Geology Prehistoric man & many more! These will
be superb for schools, colleges, home etc: Brilliant! +
- PE011 Un-Pack this Disk
TOTAL CONCEPTS DINOSAURS:A second taster disk, this time
on the eternally popular subject of dinosaurs, a great
introduction to the subject, plenty of pics of Tyrannosaurus
and other Dinosaurs, and lots of reading on the subject, with
explanations of the 3 periods, Triassic, Jurassic & Cretaceous.
Superbly presented & great fun!
- PE013 Un-Pack this Disk
