

Welcome to Puzzle !

You should to restore "damaged" picture. To do this, you can move all the parts of "divided" picture to free space if this part has common bound with free rectangle. To move the part of the picture, you should click on part to be moved.

Time indicator shows you how mush time has been used.

If you want to see the "source view" of the image, use **View|Source Picture** menu item. Then press *Esc* to close View Window and continue.

You can also terminate current game and load new picture. Use *New* button or **Game|New** menu item.

Use *Close* button or **Game|Exit** menu item to exit to Windows.

Enjoy !
