~Limited License for Evaluation Purposes.

Swimming Elk Software hereby grants you a limited license to use this software for evaluation purposes either

a) for a period not to exceed thirty (30) days, or
b) up to a usage limit of 100 program sessions,

whichever limit comes sooner.

If you intend using this software package after the thirty day evaluation period or beyond the usage limit of 100 program sessions, you are under a *legal obligation* to purchase the software from Swimming Elk Software.

Using this software beyond the thirty day evaluation period, or beyond the stipulated usage limit, without registration (purchase) of the software is *a violation of the terms of this limited license.*

~Limited Distribution License:

As the copyright holder for Stella 2000(tm), Swimming Elk Software authorizes distribution by individuals solely in accordance with the following restrictions.

Individuals are hereby granted permission by Swimming Elk Software to copy the *Shareware version* of the Stella 2000 software package AS ORIGINALLY DISTRIBUTED for their own evaluation purposes or for other individuals to evaluate, ONLY when the following conditions are met.

The Stella 2000 package is defined as containing all the material listed in the **VENDINFO.DIZ** file. If any files listed in VENDINFO.DIZ, or VENDINFO.DIZ itself, are missing, then the package is not complete and distribution is prohibited. Please contact us to obtain a complete package suitable for distribution.

•   The Stella 2000 package - including all related program files and documentation files - CANNOT be modified in any way and must be distributed as a complete package, without exception. The VENDINFO.DIZ file contains a list of all files that are part of the Coeli package.

•   No price or other compensation may be charged for the Stella 2000 software package. A distribution cost may be charged for the cost of the diskette, shipping and handling, as long as the total (per disk) does not exceed US$8.00 in the U.S. and Canada, US$12.00 for international distribution from the U.S., or 6 pounds sterling or its equivalent inside Europe.

•   The Stella 2000 software package CANNOT be sold as part of some other inclusive package, nor can it be included in any commercial software packaging offer, without prior permission from Swimming Elk Software.

•   The PRINTED User's Guide may not be reproduced in whole or in part, using any means, without the written permission of Swimming Elk Software. In other words, the disk-based documentation may not be distributed in PRINTED (hardcopy) form.

•   The Stella 2000 software package cannot be "rented" or "leased" to others.

•   Licensee shall not use, copy, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed software package except as provided in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license.

•   Licensee hereby agrees not to post the Stella 2000 software package publicly in any ftp directory inappropriate to its category. Eg. pc/astronomy is an appropriate directory; pc/demo is not.

Distributors are especially asked to avoid the following terms when describing the Stella 2000 software package:

free, freeware, free software, nag, nagware, public domain, demo, demonstration software, or any other term or phrase which admits of an interpretation not in keeping with the official product definition given below.

Non-compliance with this request may invalidate previous license permissions granted by Swimming Elk Software to the Licensee.

Authorship of the Stella 2000 software package may not be attributed to any name but Swimming Elk Software.

PLEASE! Show your support for Shareware by registering (purchasing) programs you actually use. Both Swimming Elk Software and the very survival of shareware as a distribution channel are dependant upon your active co-operation and support. Thank you.

~OFFICIAL PRODUCT DEFINITION:

Fully and continuously functioning evaluation software package distributed via shareware channels, hereafter to be designated as Shareware, Shareware package, or Stella 2000 software package.

For definitions and explanations pertaining to matters of copyright and shareware distribution, we would direct you to the files Shr-ware.txt and ShareW.txt included as part of the Stella 2000 software package.

Stella 2000(tm) is Copyright © 1995, 1996, 1997, 1998, Swimming Elk Software. All rights reserved. Stella 2000 is NOT a freeware or public domain program.

This software and accompanying documentation are protected by United States Copyright law and also by International Treaty provisions. Any use of this software in violation of Copyright law or the terms of this limited license will be prosecuted to the best of our ability. The conditions under which you may copy this software and documentation are clearly outlined above under "Limited Distribution License".

All rights not expressly granted here are reserved to Swimming Elk Software.

~License Terms for Registered Copies of Stella 2000

The registered version (unless otherwise stated) is intended solely for installation on a single computer system by one registered individual. Distribution of the registered version of Stella 2000 is **strictly prohibited**.

CONCERNING VENDINFO FILES INCLUDED WITH THE COELI PACKAGE

The attached VENDINFO data record is hereby incorporated by reference. Any distribution satisfying all the distribution requirements expressed in that data record is hereby authorized.

If the Licensee satisfies Swimming Elk Software's conditions for distributing the Coeli package, Swimming Elk Software authorizes the Licensee's use of its unaltered product-descriptive texts without further permission.

All licenses to distribute the Stella 2000 package are solely between the producer (Swimming Elk Software) and distributor (Licensee), and do not involve VENDINFO or Rams' Island Software.
