Kom i tide i aften festklædt på slaget atten til gilde ventende
ingenting
desmere hurraende når du ser damernes fine kjoler og værten
byde vin.

Comment:

I have asked professors, research- and teaching staff working at the institute of Physics at DTU, but it would seem as if there is no such mnemonic. However, Lektor Knud Asger Christiansen has composed one for you

Translation:

Come in time tonight dressed for a party punctually at six o'clock
to a festivity expecting nothing but cheering even more when you
see the ladies' fine gowns and the landlord offering wine.
