

From the Print Side

The following software titles found on [the Disc](#) are also mentioned in the pages of this month's magazine. Install the software—you'll find the installers within the [\(folders\)](#) listed—pick up the magazine, and read on! Please do keep in mind that from time to time, some of the articles and reviews that may appear below get cut due to late-breaking news and magazine-size restrictions after the Disc master has been burned. You can expect these articles and reviews to appear in next month's issue—usually.
