## Other Northern Softworks titles you may like...

### Panther Cache Cleaner

Acclaimed maintenance utility that keeps your Mac healthy and running smoothly. Set and forget automatic maintenance scheduling unmatched by any other utility.

### Renicer

A slick little utility that uses the unix renice command to automatically increase the priority of your applications. Higher priority means more CPU time.

### Classic Toggler

Convenient control of classic environment for Mac OS X. Provides visual feedback on the status of classic, and a means to start and stop right from the dock.

### Trash X

At last, a trashcan for the Mac OS X desktop. Works just like the classic trash can, plus it features numerous power user functions as well.

### ClipDoubler Pro

Copy and Paste to your hearts content! ClipDoubler Pro adds easy flexibility to your Mac OS Clipboard. Create as many clipboards as you need to get your work done. Available for Mac OS or Mac OS X.

### iDisk Manager

A utility to manage multiple iDisk accounts. Store login and password information to mount

an iDisk with a button click. Also create stand alone documents to mount an iDisk with a double click.

#### Lights Out

A small utility designed to provide convenient options for Energy Saver. Features a built in screensaver, and provides flexible control of Energy Saver sleep. No more Mac insomnia.

#### Hostal

Allows local IP address mapping by creating a Hosts file for your computer. Also allows content filtering by blocking designated hosts. Available for Mac OS or Mac OS X.

#### Key Pad

A central location for internet passwords, bank accounts, license numbers, and other important data. Fast and compact, it is perfectly suited for use as an Apple Menu item.

"I believe most users will find Key Pad a useful tool for organizing a variety of scattered information." - Jerry Eidem, MacChamp, June 1999.

4 Cows from Tucows Network.

#### Lestrade

Find Anything Anywhere on the Internet. Fast and compact, Lestrade lets you conveniently search the Web, search for software, weather, stocks, and more. Available for Mac OS or Mac OS X.

Lestrade is a ChezMark MacPick!  
TUCOWS rates Lestrade 5 cows!  
FileMine thinks Lestrade is a jewel!

#### MacEMT

Look for trouble before it happens. Use your favorite repair utility to automatically scan disks for damage anytime you have a crash. A handy diagnostic tool.

TUCOWS rates MacEMT 4 cows!
