How To Obtain Source Code

By registering Ez-Face you will obtain a zipped file containing all forms and modules used to program Ez-Face. Register via Compuserve GO SWREG. ID # 5020

Why Ez-Face

I developed Ez-Face as a re-usable starting point for my development projects. By emulating the Microsoft Office interface it also gives users something they are already familiar with. I hope that you find Ez-Face as useful as I have.
