COPYRIGHT INFORMATION

All **Global Majic Software, Inc.** software programs, shareware, and freeware are protected under the copyright laws of the United States and foreign countries. All rights are reserved to **Global Majic Software, Inc.** Violations of copyright laws are investigated by the FBI. Distribution of **Global Majic Software, Inc.** products implies that you have read and agreed to the distribution terms described below:

INTENT

Global Majic Software, Inc. seeks to distribute its shareware as widely as possible. However, we want the end-users of our software to be properly informed that it is shareware.

DISTRIBUTOR INFORMATION AND LICENSE INFORMATION

The license information and distribution requirements in this document supersede all previous license statements. To continue to distribute **Global Majic Software, Inc.** products, you must adhere to the licensing and distribution requirements below.

If you are a mail order or BBS-type distributor of shareware software, you may distribute these programs as they are, without any changes other than expanding files contained in the ZIP archives. However, you have the responsibility to check from time to time, at a minimum interval of 6 months, for new versions of these programs, and to update your copies in a timely manner. **Global Majic Software, Inc.** will gladly send you a diskette containing the current versions on request.

You must fully identify all **Global Majic Software, Inc.** programs in your advertising, by the program's full name and version, and indicate the registration fee in the program description. The words **Global Majic Software, Inc.** must appear in all program descriptions.

SHAREWARE DISCLOSURE REQUIRED

All advertising and packaging information including references to **Global Majic Software, Inc.** products must contain a statement explaining the shareware concept. Specifically, that statement must explain that shareware software **MUST** be registered by the user, after a trial period, by paying a registration fee, and that all monies paid for the shareware version are duplication and distribution charges only. All such statements must be clearly displayed in a position where they are likely to be read by potential customers.

RETAIL RACK AND CD-ROM DISTRIBUTION

If you distribute shareware in a retail setting in racks, store displays, vending machines, at computer fairs, or in any way other than normal BBS or catalog-based sales, you must contact **Global Majic Software, Inc.** for permission to distribute any **Global Majic Software, Inc.** program. Rack or retail-like sales require a special distribution license, normally requiring royalties paid to **Global Majic Software, Inc.** If you distribute shareware on CD-ROM disks, you must also contact **Global Majic Software, Inc.** before including any **Global Majic Software, Inc.** shareware programs on a CD-ROM disk. Normally, permission is granted, but current versions must be included and all old versions of any **Global Majic Software, Inc.** program removed from any CD-ROM disk containing **Global Majic Software, Inc.** products.
