

THANK YOU for trying out our Button'D.own sub-program for Word Perfect for Windows™. We hope that you, too, will find it adds ENORMOUSLY to the windows feel of the program....that it makes a great program even better!

If you like what it does, the perfect way to show your appreciation (*and* get rid of this message sequence) is to register. Just push the register button above and follow the simple instructions on the printed document that will be generated. Please remember to have your printer turned on.

(press **F7** on your keyboard and **MASTER** on your Button Bar to begin your **Word Perfect for Windows™** Session)
