

# InfoMap Lite 1.40 Registration

## Register InfoMap Lite *now!*

### **How to register InfoMap Lite**

A license for the use of *InfoMap Lite* can be obtained by filling out the Registration Application Form found below.

This entitles you to a diskette of the latest version of *InfoMap Lite* together with your personal registration details (which will eliminate the registration reminder screens), technical support via telefax or EMail and free access (via bulletin boards, conference systems, etc.) to any later 1.xx versions that may be published from time to time.

Just print out one copy of the appropriate form below for each copy you wish to register, fill in the details and forward the form(s) together with your payment to one of the following:

### **The Retail Version of InfoMap**

As is described in the *InfoMap Lite* online help system, there is also a retail

version of *InfoMap* supporting a larger map and notes capacity and with additional major functions. A summary of the differences between the products can be viewed by entering *InfoMap Lite*'s online help system and selecting the topic "About the Retail Version of InfoMap" from the opening contents page.

Please contact your supplier for latest information and current prices for the retail version.
