* The £40 here acknowledged was an additional subscription from No. 8 subscriber, whose total subscription is therefore £60, not £20, as in above subscriber's account [p. 530]: in which also the initials of No. 38 should be S. G., and the sum £2, 2s. These errors will be corrected in next *For*s [see p. 573], in which also I will separate the interest from the subscriptions.
