

Rispetti

Take courage lo! and if it must so be,
 Then go, but take no sorrow in thy heart.
 For if I knew it, it would trouble me.
 To think in sadness I had seen thee part.
 Go not yet, but go, and soon return again:
 And leave the sighs to my who must remain.

Statevi allegro, amor: se vè ne andate.
 Non vi pigliate al cor malinconia.
 Se lo sapessi, me lo avrei per male,
 Che andaste mal contento per la via
 Andate pure e ritornate presto:
 Lasciate sospirare a me che resto.
