

## G. DIARIES AND NOTE-BOOKS

IN this Division of the Bibliography, a chronological list is given of all the passages from Ruskin's diaries and note-books which are printed in the various volumes of the edition, with references to the place where each will be found.

It may be pointed out that years for which diary extracts are scanty or absent are often fully covered by letters. When Ruskin was travelling, away from his parents, his diary was often written in the form of letters to them; thus the tours of 1845, 1851-52, 1858, 1861-63, 1866-70, of which there are few or no records in the diary, are fully covered by letters: see above, pp. 57-58, 59-60, 62-63, 64 *seq.*, 66-69.
