

THE CLUEDO CHRONICLES ARE HERE
EPISODE ONE - FATAL ILLUSION

ECTS 99 Sept 5: Leading entertainment software publisher, Hasbro Interactive is proud to announce the launch of Fatal Illusion, episode one of the new Cluedo Chronicles mystery series on PC CDROM. Faithful to the classic board game, which this year celebrates its 50th birthday, Fatal Illusion is packed with adventure and suspense set against a backdrop of stunning graphics and high quality sound.

At a showing of rare, and unusual artefacts, eccentric guests witness the murder of host Ian Masque.....or *do they?* Unravel a contorted plot laced with politics, wealth, the supernatural and murder, set in the shadowy world of a mysterious, mountaintop castle retreat, an outlandish yacht, and populated with characters you thought you knew, and new ones you'll never forget!

Join Miss Scarlet, Colonel Mustard and the entire Cluedo cast in *Fatal Illusion*, the first part of the *Cluedo Chronicle Mystery Series*, will appeal to casual gamers and adventure fans alike. From its quick set up, through hits expansive, richly detailed world, Fatal Illusion promises absorbing adventure with an explosive climax, in a story that is.....*to be continued.*

Set in four acts, the scene is set for a detailed game of mystery and intrigue. Each act takes the players into yet another line of investigation with impressive graphics and text branching, and includes 20 hours of linear game play.

Cluedo fans aged 12 and upwards will enjoy unravelling the mystery of Fatal Illusion, with cliffhanger at the end, making them desperate for the next Cluedo Chronicles mystery.
