

MAJESTY®

The Fantasy Kingdom Sim

Game Overview:

You have been crowned King and from the walls of your Castle you are challenged to meet the needs of your growing Kingdom and its varied inhabitants. Each decision you make may impact the well-being of your property and those on whom you rely to carry-out your wishes. Managing your resources, you will be asked to complete a variety of noble quests of your choice. Each quest will require you to determine your own unique strategy to build your tax base, collect moneys owed to the crown, explore your surroundings, and most importantly vanquish your enemies.

Key Features:

- Advanced artificial intelligence allows Heroes to make decisions on their own.
- Over thirty unique buildings/guilds that you can add to your Kingdom. Each with its own strategic benefits.
- Sixteen different hero classes. Each with their own personalities.
- Over thirty monsters to ravage your population.
- Nineteen epic quests of varying difficulty, including four secret quests.
- Up to four players in the multiplayer mode.
- Randomly generated maps allow quests to be different each time they are played.
- Create the ultimate fantasy kingdom!
