

## TONKA® SPACE STATION

**Game Overview:**

Kids have long loved to fantasize about space adventures. With Tonka® Space Station, they are rocketed to a 3-D space station, where they are in charge of the environment with the goal being to assemble, maintain and protect the station. In order to achieve this, players have the challenge to make the space station function as efficiently as possible while building up a large, happy population. Missions will include harvesting food, collecting fuel and protecting the space station from meteorite attacks. To successfully complete their missions, players will need to combine critical thinking, problem solving and fast action, arcade-style game play. If players need any help, Tonka Joe will be there in 3-D to help them along!

**Key Features:**

- Build and save your very own Tonka Space Station.
- Use all new 3-D Tonka Space vehicles that fly, walk, jump, drive and roll!
- Play in simulation and arcade modes.
- Customize the Space Station.
- Play fast action 3-D games.
- Features Tonka Joe and friends.
- Enjoy 3-D graphics (video card optional).
