

# R-TYPE DELTA - OVERVIEW AND KEY FEATURES

---

R-Type Delta is the latest instalment of Irem's classic series of Space Shoot'em Ups. Utilising the awesome 3D power of PlayStation, Irem have created the ultimate 3D space action title, with outstanding levels and three superbosses to face per level, this is not going to be an easy fight. Real-time cut scenes progress the story of your R-Type Ship, whilst the Dual Shock vibration function compatibility ensures complete immersion into the game environment.

## Key Features:

- An evolution of the original side-scrolling R-Type
- Created for the extreme arcade enthusiast for the ultimate challenge - no continuous credits.
- More than seven levels, with three mid and end bosses in each.
- 3 ships to choose from - plus a hidden bonus ship - all with different weapons.
- Breathtaking cut scenes to advance the story.
