

POINT BLANK 2

The ultimate G-Con45 game is back, as Dr Don and Dr Dan return in an all-new sharp-shooting frenzy from Namco. Created exclusively for PlayStation, the sequel features even more crazy galleries with literally thousands of targets flying off in all directions. Shooting galleries galore, plus a new adventure RPG for the daring doctors, plus the madcap Party mode, specifically designed for team playing.

Not only does this version give you more stages and a new original mode, it has more gripping gameplay than ever before. No special technique is required to get started and because it is easy to pick up and play for a few minutes, it is perfect for a crowd of friends.

- Standard and Special modes each feature over 70 levels of light gun madness
- Party mode, with Score battle, Tournament and Team Play modes enables up to 8 players to play against each other
- Suitable for younger players - non violent gameplay
- Huge variety of gameplay from shooting fests to one shot pressure levels
- Created exclusively for PlayStation
- English/ German/ French/ Spanish/ Italian options
- Store your best scores to a Memory card
- Supports two G-Con45™ light guns
- Available as a stand-alone or as a limited edition box set.
