Product

Overview: Relax with a quick game of Backgammon, hone your Chess skills, or teach your kids your old favourites. Realistic gameplay, the fun you remember, the quality you can trust – all from Microsoft® Classic Board Games. These are the games you and your family will love for a lifetime!

- New Features:**
- **Enjoy all your favourite board games** including backgammon, chess, checkers, Chinese checkers and more. Twelve games, all on one CD!
 - **Stunning graphics** in an easy-to-use interface make the games simple to play, and look just like the board games you grew up with.
 - **Strategic Tracking** – Improve your game by trying a variety of moves. Step forward or backwards to review and learn from your strategic decisions. Then resume play at any point in the game!
 - **Hints** – Classic Board Games features a ‘hint button’ that shows you a new move. Great for when you just can’t decide which move to make!

- **Games for Adults & Kids** – Play a game with your kids, a friend, or by yourself – all your family’s favourites are now just a click away on your PC.
- **Three Skill Levels** – Let you master each game, and set appropriate skill levels for all members of the family.
