

## Microsoft SideWinder Precision 2

October 2000

**What:** Microsoft® SideWinder® Precision 2 is the third generation of SideWinder Precision joysticks that provide a premium non-force-feedback option for flight, military simulation and action games.

**Publisher:** Microsoft Corp.

**Format:** The Microsoft Windows® 98 operating system or later; hardware connects directly to a Universal Serial Bus (USB) port.

**Price:** AUD\$89.00 (includes GST)  
NZ\$109.00 (includes GST)

**Product Availability:** Late October 2000

**Product Overview:** Microsoft SideWinder Precision 2 is an improved version of Microsoft's popular joystick, the SideWinder Precision Pro. Sidewinder Precision 2 combines the traditional reliability of SideWinder with 25 percent greater precision.

Following the SideWinder tradition of quality, the SideWinder Precision 2 is designed for high reliability and durability and includes a three-year hardware warranty.

**Features:** Cutting-edge features and functions of SideWinder Precision 2 include the following:

- An eight-way hat switch for instant sighting
- A rotating handle for precise rudder control
- A redesigned 146-degree action throttle for more realistic gameplay
- A longer throw switch on the trigger for higher usage and rapid fire
- A proven USB microprocessor for reliable plug-and-play action

- A rock-solid metal base providing added weight and extra stability and creating a new, sleeker look
- New button layout for simultaneous thumb access of hat-switch and stick buttons

## **System**

### **Requirements:**

To use Microsoft SideWinder Precision 2 with the enclosed Game Controller software, users will need the following:

- Multimedia personal computer with a Pentium 166MhZ or higher processor
- USB port
- Microsoft Windows 98 or Windows 2000 Professional
- 16 MB of RAM
- 25 MB of available hard disk space
- DirectX® 7.0a API (included)
- Four-speed CD-ROM drive
- Super VGA, 256-color monitor
- Games\* based on Windows 98 or later
- Microsoft Internet Explorer 4.0 or later browser software to view User Guide
- Printer for profile printouts (optional)
- Microsoft Mouse or compatible pointing device

\*Access to and use of the Internet for play may require payment of a separate fee to an Internet service provider. Local telephone and long distance charges may apply.
