METAL SLUG

The original METAL SLUG arcade game that defined the action genre is now coming to the Game Boy® Advance.

METAL SLUG Features:

- › Non-stop action packed 2D missions.
- › Command the METAL SLUG super vehicle to gain tactical advantage
- › Classic over-the-top boss characters to challenge your skills
- › Battle General Morden and his evil forces
- › Huge array of weapons
- › Rescue Hostages and receive power-ups

Marketing Features:

- › Extensive print campaign in top gaming magazines
- › Online paid media support
- › Multi-faceted public relations outreach including press tours and media events
- › Co-promotional opportunities with peripheral manufacturers
- › Direct Mail and Email blasts to SNK consumer lists
- › Dedicated website

Platform: Game Boy® Advance

Genre: Action-combat

Barcode: 8 28862 70003 2
