OVERVIEW

In the future, a rebellion inspires an evil mad-man to travel through time to eliminate the origins of a growing threat. In the present, a world is dying and a single town remains. An inventive young man, with the help of a visiting time traveler, discovers the secret of the outside world and its effect on the future.

Experience the sequel to one of the best-selling role-playing games on PlayStation 2. *Dark Cloud 2* delivers a spectacular tale with new gameplay elements, including an enhanced GEORAMA, which allows you to rebuild worlds in greater detail. The new Invention System lets you create, repair and upgrade equipment and weaponry that will help in exploration and in battle. With over 100 total hours of gameplay, *Dark Cloud 2* delivers a 3D role-playing adventure crossing the hands of time.
