

METAL GEAR SOLID 2: SONS OF LIBERTY, SILENT HILL 2 TO JOIN SONY'S GREATEST HITS COLLECTION

FOR IMMEDIATE RELEASE

Electronic Entertainment Expo – Booth #900 – LOS ANGELES, CA – May 22, 2002 – Konami of America Inc., today announced that two best-selling PlayStation 2 titles in 2001, ***Metal Gear Solid 2: Sons of Liberty*** and ***Silent Hill 2***, will be available in the Fall of 2002 as part of Sony's popular Greatest Hits line. The Greatest Hits program offers games that have sold in excess of 400,000 units to consumers at a reduced price.

Metal Gear Solid 2: Sons of Liberty was one of the most eagerly anticipated videogames of all time. Critics and fans alike were captivated by the title's outstanding game design, unprecedented graphic quality and intricate, sweeping storyline.

Metal Gear Solid 2: Sons of Liberty tracks the globe-trotting super spy Solid Snake as he attempts to suppress the terrorist takeover of an unmarked military tanker. At stake is an all-new Metal Gear, which possesses the nuclear firepower and mobility to propel its owner to superpower status. As with previous games in the series, players are thrust into a covert mission where stealth and subterfuge take precedence over gunplay.

Fans of the Survival/Horror genre will feel right at home as they return to the mysterious seaside town in ***Silent Hill 2***. Regarded as one of the most terrifying videogames ever made, *Silent Hill 2* features gruesome monsters, vivid graphics, true-to-life CG movies, and unsettling audio effects. Challenging puzzles, mysterious characters, and a riveting storyline make *Silent Hill 2* a must-have for mature gamers.

As widower James Sunderland, players explore the seemingly deserted town in search of answers to a deeply personal mystery: A letter has arrived from his long-deceased wife Mary, beckoning him to Silent Hill, a sanctuary that held special meaning for the couple. As he ventures deeper and deeper into the fog-enshrouded town, James uncovers answers that test his sanity and may even require the ultimate sacrifice.

Metal Gear Solid 2 and *Silent Hill 2* are both rated M for Mature by the ESRB.
