

## **Earthworm Jim 3D**

Formats: Sony PlayStation, Nintendo 64  
Genre: Action/ Adventure  
Release Date: September 1999  
Developer: Vis Interactive

The worm has re-turned! Earthworm Jim is knocked unconscious by (surprise) a falling cow and finds himself transported into the unhinged world of his own mind. Jim must battle through the layers of his subconscious in order to wake up and return to the real world. The annelid is back! May God have Mercy on Our Souls!

- 4 loony levels loaded with groovy games!
- Jim's totally cool moves include: tuck 'n' roll, jump 'n' shoot, hand-over-head, helicopter head, pig-sliding, the pocket rocket and more!
- Over 30 zany enemy characters like the Disco Zombies in the Fear Level.
- From over-the-top slapstick antics to subtle humorous touches, Earthworm Jim 3D will leave everyone in fits of hysteria!
